Welcome to the Tusla Portal

The Tusla Portal allows you to create Child Protection and Welfare Reports online and to securely interact with Tusla. Over time, more Tusla services will be available from the Portal as an alternative to the current paper-based forms.

The Benefits of Submitting Online

- A safe and secure channel for submitting information to Tusla
- Online instructions and validation-checks to assist in successfully completing a report

The Portal and Data Privacy by Design

The Portal has been designed using the principle of Data Privacy by Design. This means the Portal is secure, with all personal data encrypted and retained on the Portal for a minimal, to adhere to this principle, the following rules are implemented:

- A reporter has 48 hours to complete and submit a Child Protection and Welfare Report, from the time you first create the report on the Portal, the purpose of this is to prevent unsubmitted, potentially inaccurate and incomplete personal data being retained.
- Once a Child Protection and Welfare Report is submitted, it is transferred to Tulsa's internal systems. You can still view and print a record of the submitted report for up to 48 hours after the report has been submitted.
